AMUSEMENTS.

—“A Royal Slave” is one of the most elaborate and beautifully melodramatic productions on the road. The scenery is the finest that the studios can furnish and is printed from photographs made in Mexico. The costumes and stage accessories are very rich and the powerful and thrilling dramatic situations, make the play a series of beautiful stage pictures. Though it is a melodrama of the sensational sort, there is not a shot fired during the entire play, and it is presented in a literary and dramatic merit of a high order.

It is something to be able to say that at least we can herald the coming of a new play, full of new ideas, situations and startling effects. Such is true, however, of the forthcoming of “A Royal Slave,” which is put on in a most artistic manner, complete in every detail. The play will be seen at the Grand next Wednesday night, Oct. 26. Sale of seats goes on Monday, Oct. 24, at Vandlen's Drug Store. Prices, 25, 35, 50 and 75 cents.

Saloons Closed.

The saloons were closed by the police of Jackson, Breathitt county, Wednesday and conservative citizens expect a renewal of the former state of lawlessness and terror. In retaliation for the pressure which forced the closing, the powers that be, it is said, will dismiss the police force and the town will be protected by one lone Marshal. The blind tiger will reopen and state of affairs will be far worse than with open saloons.
